

Olga Kosko did a great job of trick or treating. No tricks but a lot of treating. We had a wonderful turnout and it made for a perfect afternoon. Good food, good service and a lot of good friends to chat with. There was a lot of picture taking.

Present were three Helens, Andrus, Gemery and George. There were two Olgas, Kosko and Smeal. Two Marys with their husbands Peter Farage and Angelo Skoulis. Before I forget I would like to thank Mary Farage for such a moving grace. Looks as if we only had one Shirley and her husband Tom Harbietner and one Millie with husband Tony Amaddio. Let us not forget Dorothy and Paul Hatala. Have to remember our last two , Emma Monoky and Walter Turske. I guess that I have everyone.

Comes Wednesday, November 1<sup>st</sup>, 2006 and our meeting at Carrie Cerino's that will be hosted by Shirley and Tom Harbietner. Meeting starts at 1:00 P.M. and bring your appetites. Carrie Cerino's is located at 8922 Ridge Road. Their telephone number is 440-237-3434. I hope that their full lunch menu will have my favorite, the Frank Sinatra chicken.

I would like to thank you all for not saying anything about the mistakes that I make on our newsletter. I am thankful that we can meet as we do and that we all enjoy each other's company. We have visited quite a few restaurants and had some delicious meals. We always seem to get good service. Guess that being a senior citizen has some advantages. See you all on the 1<sup>st</sup>.

It has been quite awhile since we have heard from our brothers in Florida. Bob Henz has sent us some long letters and Ted Kostuk had kept in touch. Peter Arden sends a letter once in awhile. We want them to know that we share their letters with the group.

Sincerely:

Paul G. Hatala
