

At our Wednesday, March 7<sup>th</sup> meeting we will not be looking for leprechauns or the pot of gold. No, it will be a wonderful menu and tasty food at Stancato's, 7380 State Road at Pleasant Valley Road, 440-886-6242. Helen Andrus will host the meeting that begins at 1:00P.M. With Staccato's everybody likes Italian. They might not have corn beef and cabbage but there will be a little blarney.

As we entered Pipers Three, at our last luncheon, the owner told us that he had three cooks and I know that we kept all three busy. Millie and Tony Amaddio had corn beef sandwiches that looked very tasty. The lamb shank that Helen Andrus was served looked like a gourmet dream. Not to be out done, Helen Gemery, Dorothy and I had the most delicious liver and onions. Both Helen George and Olga Kosko enjoyed a nice plate of fish. Emma Monoky decided to have a sandwich too. The dinners included homemade soup and a large salad served with warm buns. The servings were so large that there were a lot of doggie bags filled for an evening snack.

Glad to see Angelo Skoulis out of the hospital and Mary with a big smile on her face. Angelo did come through a difficult operation. Hope that Shirley Harbietner has the flat fixed on her car because I know that Tom is raring to come to the meeting. If all goes well we will also see Mary and Peter Farage. Old age is beginning to creep up on us.

We still have not heard anything from our brothers in Florida. Plans for the 65<sup>th</sup> reunion are starting to grow.

Sincerely:
