

We had a lot of Santas at our December meeting at the Red Lobster. The two large Santa's on the table were won in the raffle and the bobbin head Santa brought a bit of cheer to the table. It was the first Christmas luncheon that Theresa Homik and her sister Helen attended. In fact it was a first for Marie Szlag and her sister Diane and also Yvonne Gantose and her brother Jim. We hope they enjoyed themselves enough to continue coming. Millie and Tony Amaddio still hold the record for coming the farthest.

Mary and Peter Farage looked all holiday cheer in their bright red sweaters. Mary again had a nice grace before the meal. Mary and Angelo Skoulis enjoyed the pastry that Dorothy had baked. A grateful "thank you" went to the workers for our 65th class reunion. Helen Andrus ordered the catered meal and also collected the money and then paid all the bills. Emma Monoky again brought the updated pictures of classmates that Father Time had claimed. Without Angelo's call down we would have been in a lot of trouble. Helen Gemery, Helen George and Olga Smeal agreed with me. We want to thank you all for the work that you put into our 65th class reunion.

Wait ---Olga Kosko reminded us that she provided the entertainment with the wild ride behind Walt Turske on his motorcycle. Olga is hosting our first meeting of the New Year, which will be held on Wednesday, February 6th, 2008. We hope that Walt will attend and bring his motorcycle so that we can get a picture of Olga hanging on to Walt for dear life.

I forgot to tell you that Olga has picked Pipers Three for our next luncheon. Piper's Three is located at 8158 Broadview Road, 440-526-5454. We start the meeting at 1:00 P.M. What a nice way to start our 2008 schedule. We are fortunate to have such a nice group and are able to get together once a month. WALT----we are waiting for you

Sincerely:
