

Hi-Ho, Hi-Ho Its off to Red Lobster, 7607 Day Drive, 440-888-0990, we go for our Alpha HI-Y Christmas luncheon and meeting. The date, Wednesday, December 5<sup>th</sup>, 2007 and the time 1:00P.m. This is the last meeting of this year and Santa says that he will be there to help Dorothy and Paul host the meeting. You had better be good or there will be a piece of coal in your stocking on Christmas morning. Make sure that you bring your appetite and a big smile with you.

We all were surprised to see the loaf of home baked pumpkin bread at our places at Carrie Cerino's for our November meeting. Shirley and Tom Harbietner hosted the luncheon. Shirley must have been baking into the wee hours of the morning. Marie Szlag and her daughter, Cyndee, attended their first HI-Y meeting and they brought a photo album that Ted had made up. Thank you. A lot of memories relived.

Helen Andrus came well prepared and had a wonderful grace. The first to look at the photo album were Olga Kosko and Olga Smeal. They passed it on to Rosemary Billy and Emma Monoky. Still undecided on what pictures they wanted were Mary and Angelo Skoulis. Theresa Homik and her sister, Helen, had a few of the pictures in mind. Helen George and Dorothy liked the album and the large picture taken at a class reunion.

I would like to thank you all for the wonderful times that we had together this year and I am looking forward to more of our great luncheons. We definitely are "The Greatest Generation".

Sincerely:
