

It was another good Alpha weather day. The light sprinkles did not come until most of us were in our cars and going home. After being snowed out of our first scheduled meeting at Dimitri's, we finally had a meeting there and we were greeted by popcorn baseballs from Emma. The balls hit the bull's eye.

With Angelo's coaching, Mary very nicely presented grace and mentioned our deceased club members. Ralph did not miss Emma's trip around the table because Jim and he were busy talking. At the end of the table Olga Kosko and Helen Andrus were getting Walt set to take some group pictures and you can see that Walt did a good job. I know that you all would want to see this picture and so it is enclosed in the newsletter.

In the back row starting on the left side we have Angelo, Dorothy, Paul, Tom, Shirley, Theresa, Helen, Helen, Olga, and Olga. Relaxing in the front row are Mary, Rosemary, Emma, Ralph, Jim and last but not least Helen. What a great picture !

We all enjoy each other's company and I hope that you all look forward to the luncheons as much as I do. We are going to find out if we can have our annual picnic on the outside patio of a restaurant that has good food, excellent service and a nice location. Two suggestions have been made so far. Keep looking and we will hit a good one.

Shirley and Tom will be taking care of our Wednesday, June 4<sup>th</sup>, meeting. Tom told me that he has made reservations at Carrie Cerino's, 8922 Ridge Road, 440-237-3434. The meeting will start at 1:00 P.M. Looking forward to good company and a lot of good food. Theresa will be hosting our July 2<sup>nd</sup> meeting.

Sincerely:

Paul G. Hatala
