

Hail, Hail most of the gang was here. Olga Kosko had picked Piper's Three for our February meeting but because of an accident was unable to attend. Helen Andrus stepped in and all went well including her rendition of grace. It was home week for Angelo Skoulis, Helen George, Ralph Youngman and Jimmy Gantose. A lot of old times were remembered.

Glad to see Walt Turske there. Helen Keilezowski and her sister Theresa Homik kept Walt busy. Shirley and Tom Harbeitner and Millie and Tony Amaddio had an enjoyable time watching photos of previous meetings on the portable CD player. Nothing could break up Emma Monoky and Rosemary Billy while they were talking. Mary Skoulis and Dorothy were trading recipes during the whole luncheon.

We are looking for ideas on where to hold our annual picnic. This is another event that all seem to enjoy especially me. I love all the good food and pastry that we all share. It is nice to have our members come and have fun with the group.

Helen Andrus will be hosting the Wednesday, March 5th, 2008 meeting at Dimitri's Restaurant located at 1830 Snow Road, 216-741-3399. How about wearing of the green? ERIN GO BRAUCH.

A bonus in this newsletter is the picture we all have been waiting for. The girl who provided the entertainment at our picnic, Olga Kosko, is on the bike with Walt Turske. We finally did get a picture.

Sincerely:
