

There was a lot of business and no blarney at the March meeting of the Alpha Hi-Y held in Stancato's. Some of us liked the buffet and others ordered from the menu. During lunch we started on our plans for the class 65<sup>th</sup> reunion. We decide that Friday August 17<sup>th</sup>, 2007 would be a good day and Walter Turske's pavilion would be the ideal place for it. Phoning class members to find out their plans for the reunion was another very good idea. I am sure that we can get a few volunteers to do the local callings. Helen Andrus already has volunteered to be our treasurer and Walter Turske will finalize the buffet plans. Since the pastry trays are so expensive we will be asking for volunteers to fill the need.

During the luncheon we had the head of Stancato's catering service visited our table and gave us some suggestions for the buffet. Shirley and Tom Harbietner made their contributions for the reunion. Our waitress told us how the eating habits of men differ from that of women and told us of several of the dishes that she would not recommend. She was speaking of her experiences of working at several catered events.

Olga Kosko, Helen Gemery and Emma Monoky agreed with the waitress but Rosemary Billy and Olga Smeal were not that sure. Since we all have copies Stancato's catering menu that contains over 100 A la Carte items it will take another meeting to resolve this problem.

I do not want to forget our Wednesday, April 4<sup>th</sup> meeting that will begin at 1:00 P.M. at the Perkins Restaurant and Bakery, 5180 Tiedeman Road, 216-267-9501. Perkins is on Tiedeman Road a little North of Brookpark. Porkchops, steaks, shrimp platters, fish and pancakes are a few of the delicacies on their menu. We want to thank Helen George for hosting this meeting.

Sincerely:
