

It was like a dream . I was having lunch with two Popes and a Bishop and then I awoke and realized the delicious meal I was eating was in Bucas at our June luncheon. Mary and Angelo Skoulis hosted the meeting that was held at the round table. The table was large enough to hold all of us but Olga Kosko and Helen Gemery had a hard time hearing Emma Monoky who was directly across from them. Helen Andrus had a heart rendering grace . I was glad to see Theresa Homik and her sister having such a good time.

My wife Dorothy and I walked in with Shirley and Tom Harbietner. Tom seems to enjoy coming to the meetings and we want to thank Shirley for driving him. Millie and Tony Amaddio were already at the round table looking at all the pictures on the walls. We did agree that we were in the Papal Room.

Theresa Homik will host our July luncheon and because of the Fourth of July falling on the first Wednesday, we will be having it on Wednesday, July 11th, 2007. Look forward to the gourmet meals prepared by the chefs at the Vienna Restuarant, 5198 Pearl road, 216-459-1663. They are well known for their Grecian Platter. Meeting starts at 1:00 P.M.

Things are beginning to shape up for our 65th class reunion. Angelo is starting his call down and then the reservation forms will be sent out. There is still a lot of work to be done and Friday August 17th is getting closer. If you want to volunteer your help please call Angelo at 440-779-9711.

Sincerely:
